

## Roster of Approved Artists

The S.C. Arts Commission's Roster of Approved Artists is an extensive list of artists in many disciplines who are available to presenters and to serve in arts education programs in South Carolina.

The following grant programs require grantees to contract roster artists (i.e., grant funds cannot be used to pay for non-roster artists):

- [S.C. Arts Commission Arts In Education \(AIE\) grants](http://www.southcarolinaarts.com/grants/aie/index.shtml) [<http://www.southcarolinaarts.com/grants/aie/index.shtml>]
- [State Department of Education grants](http://ed.sc.gov/) [<http://ed.sc.gov/>]

Those who apply for inclusion on the roster must pass a panel review. Applications for the roster are accepted on a rolling basis throughout the year. If you are interested in applying, please [read more about the application process](http://www.southcarolinaarts.com/roster/apply.shtml) [<http://www.southcarolinaarts.com/roster/apply.shtml>]. Contact the Arts Commission for assistance and additional information regarding the process.
